1. Go to a U.S. Cellular Store for assistance. You will need to verify employment with LCHC by showing them a recent pay stub or other proof of employment as well as provide them with reference discount code G2NRW.

2. Click the following link to register and receive more information. http://www.perkspot.com In the upper right hand corner, enter U.S. Cellular on the "find a great deal" tab to complete the process. - Customer must reapply, verify employment or verify program requirements every two years. All terms and conditions of the U.S. Cellular Customer Service Agreement apply to your participation in this program.
