Manager's Minute

Kristine Kennedy

I hope everyone enjoyed Volunteer Week. Please congratulate Bob Ulrich on receiving the President's Volunteer Service Award when you see him. I hope you all know how much your time and talents are appreciated by all the organizations you volunteer at in our communities. Thank you, everyone, for all that you do!

As mentioned above, I'll be planning Spring Gatherings to complete training and updates for all volunteer positions at LCHC. Two have been scheduled and are very important. Please plan to attend and we'll complete updated health screenings as necessary. More information will be sent in the mail to each volunteer that is required to come per their volunteer position, and you will be notified if you need an updated health screening.

Gift Shop Rebranding Contest

All volunteers are invited to help us create a new name for our gift shop!

All submissions must be received by Wednesday, May 8th. Winner will receive a \$10 gift card to the gift shop. Submit your ideas to the Volunteer Office by phone or at <https://www.lchcia.com/for-visitors/gift-shop>.

(Participants can submit more than one idea. Note: Only one prize will be given out. If more than one person suggests the same name, a drawing will be conducted to determine the winner.)

Volunteer Spotlight - by Jena Wiley

"Ulrich Receives President's Volunteer Service Award" ...

Lucas County Health Center (LCHC) recognized Bob Ulrich with the President's Volunteer Service Award at their annual volunteer recognition program on April 12th. Ulrich has served LCHC's Volunteer Program for over 20 years and has volunteered over 4,480 hours at more than 16 stations in our community.

"Volunteering is an integral part of rural communities like ours," said Brian Sims, CEO. "Our volunteers are truly the life blood behind so many things in our community and I'm humbled to work alongside each and everyone one of you."

The President's Volunteer Service Award is the premier volunteer award in the United States and encourages citizens to live a life of service through presidential gratitude and national recognition.
