The scholarship application process for Volunteer Services is now open. Applicants can find an application at the front desk of LCHC, the high school, or at www.lchcia.com/volunteers.

We will award two \$500 scholarships for students pursuing a career in healthcare. Our Fudge Sale proceeds will benefit the scholarship fund. If you would like to make a monetary donation or have an interested applicant with questions, please call the Volunteer Services office.

Thank You Letter:

On behalf of the Lucas County Salvation Army Unit, we wish to express our sincere thanks to each and every one of you (approximately 400 volunteers) who donated an hour or hours of your time to ring the bell for this year's Red Kettle campaign.

90% of the over \$14,000 contributed remains here in Lucas County, providing assistance for those in need in our community.

Your service in this ministry is what makes it a success.

Sincerely, Patty Bisgard

Station Spotlight by Casey DeHoedt "Lights on and Doors Open" ...

The Russell Library and Historical Society is looking for volunteers. Our aim is to increase our hours of operations so that members of the community can have better access to books, use of our computers, or to have a nice quiet space to work.

This is great for anyone who is looking for a volunteer and community opportunity but who is worried about being over committed. Anyone who can commit to a consistent time each week is the perfect candidate! Volunteers would assist patrons with library and computer use. If volunteers would like to be more involved, they could also help with cataloging and acquisitions. For the local history enthusiast, we have genealogy and museum projects too.

We offer a relaxed and slow-paced environment for our volunteers. For the timid but determined, this is an excellent place to start with volunteerism. For the book lover, this could be a great way to get some reading time while also helping the community. We hope to hear from you! Call (641) 535-2402 to inquire about volunteer opportunities.
